**¿Qué significa Deuteronomio 19:6?, la importancia y que podemos aprender en este versículo:**

**La ley del vengador de sangre en el Deuteronomio**

**El Deuteronomio es el quinto libro de la Biblia y uno de los más importantes**

en términos de la ley religiosa y moral. En el capítulo 19, versículo 6, se menciona la ley del vengador de sangre. Esta ley establece que si alguien mata a otra persona, el vengador de sangre, generalmente el

pariente más cercano del fallecido, tiene derecho a buscar venganza. Sin

embargo, esta ley tiene la precaución de que el vengador de sangre solo puede perseguir al asesino si el homicidio fue intencional.

**La precaución  
de la ley**

**No es  
simplemente una**
