Entendiendo el contexto de Marcos 13:12

En el evangelio de Marcos 13, Jesús predice la destrucción del templo de Jerusalén

y sus discípulos le preguntan por el momento de este hecho y de su segunda venida. Se trata de un capítulo apocalíptico, en el que se describen señales que precederán estos acontecimientos y se aconseja a los

**creyentes estar
alerta.**

**En este contexto, es
que se encuentra el
versículo Marcos
13:12. Jesús
describe en estos
versículos una
situación caótica
donde las relaciones

traición y la
violencia reinan y
los cristianos son
perseguidos por su
